

Notice on video and audio recording in this building pursuant to the Personal Data Protection Act

Thai Red Cross Society would like to inform you that we are making still/moving image and audio recording in this building for publication, storage, display, reproduction, and dissemination via online and offline public media.

They are recorded for the publicity purpose of our operations or activities.

It is deemed that you have acknowledged and consented to the disclosure of your personal information through this notice.

Thank you for your cooperation.
